

# RAINBOW RICE RECIPE

## You will need:

- 1 kg white rice
- tablespoon of white vinegar
- 3-4 food colours (we chose pink, yellow, green and blue)
- Resealable sandwich bags or large plastic container
- baking paper

## Method

1. Add a few cups of rice, a dash of food colouring and some vinegar to a zip lock bag.
2. Give the bag a good shake to cover the rice in the desired colour.
3. Spread out the freshly dyed rice onto a baking sheet and leave to dry overnight.
4. Once dry, place in a large, airtight container ready for play.
